“Daley's easy-reading text about good friends learning to cooperate is served up just right with Yezerski's illustrations in pen, ink and watercolor... Here's hoping more servings of this charming duo will make it to the (reading) table.”

EasyCheesy GreenSoup

You can make Pinch & Dash's favorite soup with a little help from an adult.

Food you will need:

1 medium potato, peeled
2 cans COLD chicken broth (or 4 cups homemade chicken broth if you have it.)
8 ounces frozen cut leaf spinach, thawed
4 ounces sharp cheddar cheese, grated salt, pepper, hot sauce (if you like it!)

Kitchen things you will need:

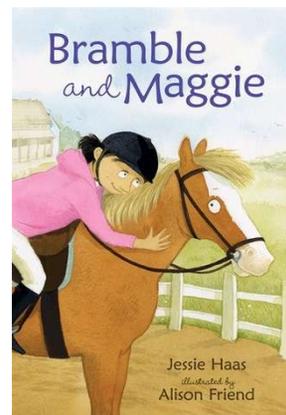

Soup pot, BIG spoon, stove, can opener, bowls, ladle, and a hand held blender or a food processor, but the blender is easier and more fun!

How to make the soup:

Cut the potato into 1 inch chunks. Put the chunks in a big soup pot. Add 1 cup of water. Bring to a boil. Cover pot and cook until potato is soft. Turn off the heat.

Add the COLD chicken broth and the spinach. Using the blender or processor, puree the soup. Add the cheese and a little bit of salt and pepper. (Don't make Pinch and Dash's mistake and use too much!) Heat the soup to a simmer. Stir stir stir. Taste for salt and pepper---careful, don't burn your tongue! Turn off the heat. Dish out the soup! Let everyone splash in their own hot sauce.
